Dear Clyde-Savannah Families:

As part of the Governor's Executive Order 202.4 COVID-19 Closure Plan, the District is working to assist essential health care workers and first responders with childcare needs for school-aged children. If you are an essential health care worker and/or first responder and are in need of assistance with childcare, the following information is required:

- A letter from your employer that you are an essential health care worker or first responder
- A completed Clyde-Savannah Emergency Reservation Form
<https://www.clydesavannah.org/site/default.aspx?DomainID=67>

These completed documents, along with any questions you have, can be emailed to erin.church@clydesavannah.org. Once the District receives the required information, we will contact you with the necessary information regarding childcare.

Thank you for allowing us the opportunity to serve your family and our school community.

Sincerely,

Michael C. Hayden, Superintendent

MISSION STATEMENT:

To educate, inspire, and empower our learners to unlock their potential in order to meet the challenges in an ever-changing world.
